“Pope Francis invites the Catholic Church throughout the world to participate in the next Ordinary Synod of Bishops in October of 2023. In preparation for the Synod, Pope Francis has asked that every diocese undertake its own Synodal Phase. For the Diocese of Gallup, Bishop James Wall has structured the Synodal process around the Hearts of the Holy Family: listening, discernment, and mission. The Heart of our Lady reminds us we are to listen to the promptings of the Holy Spirit, the Heart of Saint Joseph calls us to discern the will of God, and the Heart of Jesus sends us into the world to share the love of Christ. Everyone in the Diocese of Gallup is invited and encouraged to participate in a listening session, which will be held at the local parish level. In this session we will pray, listen, discern, and give each member an opportunity to respond briefly to the provided questions. For more information, please contact the Sisters of Our Lady of Guadalupe, St. Joseph in Gallup, NM.”

The Diocesan Synod Input Meeting of the White Mountains Deanery is going to be on Saturday, May 21st, at 11:00 a.m. at St. Rita’s parish hall in Show Low, AZ. All parishioners and Priests are invited to be present and give a brief response to the questions posed by the Diocese. You will receive a questionnaire from the Diocese ahead of time. All inputs need to be brief. Questions and answers will be both in English and Spanish.
