

54 DAYS TO CHANGE THE WORLD. DAY 7.

Today is the seventh day of this novena, we will be praying the Joyful mysteries in a spirit of petition.

You are not alone in this journey! Your Blessed Mother is interceding on your behalf, and She is an immeasurable source of strength as you continue through your novena.

**Tip For Praying The Rosary Daily:**

*Carry reminders around with you!*

Having a personal rosary will often make a daily rosary more convenient. It gives a sense of ownership, makes the prayer a more physical act, and can personalize your daily Rosary.

Additionally, try having several rosaries that you can leave in places that you frequent often! You can keep one in your car, at your workplace, or on your nightstand. If you don't find it convenient to keep several five-decade rosaries around, consider purchasing a Rosary bracelet so as to always have a physical reminder around! Rosary rings, auto rosaries, and Rosary tenners that can attach to a bag or an item you have regularly are other good options!
