

54 DAYS TO CHANGE THE WORLD. DAY 8.

*Today is the eighth day of this novena. We will be praying the Sorrowful mysteries in a spirit of petition. \**

Tip For Praying The Rosary Daily:

*Create a space for your daily Rosary!*

By having a designated location to pray your Rosary, you may find it easier to ease into a reflective headspace and enter more intentionally into your prayers. Consider creating a prayer corner in one of your rooms, fill it with Sacred art and other sacramentals, and allow it to be a space for private reflection. Prayer candles are another great way to craft a reflective space!

\*The 54-Day Rosary Novena follows a particular structure for praying the mysteries of the Rosary. The Novena begins with the Joyful mysteries, the second day the Sorrowful mysteries are prayed, and on the third day the Glorious mysteries are prayed. This three-day cycle is repeated throughout the 54 days. However, you may follow the Church's traditional cycle for the mysteries of the Rosary if desired! The Church's recommendation is as follows:

Monday & Saturday: The Joyful Mysteries

Tuesday & Friday: The Sorrowful Mysteries

Wednesday & Sunday: The Glorious Mysteries

Thursday: The Luminous Mysteries
