

54 DAYS TO CHANGE THE WORLD. DAY 9.

Today is the ninth day of this novena. We will be praying the Glorious mysteries in a spirit of petition.

The Rosary can be powerful tool to strengthen our relationships and communities. Historically, the Rosary has brought together groups of people and cities. Think of the people gathered for the Miracle of the Sun at Fatima or the relationship between the peasant children, Lucia, Jacinta, and Francisco as they received the apparitions and messages from Our Lady. Reflect on how the Blessed Mother created a household in perfect relationship with one another and with God the Father. Our Blessed Mother wants to invite you into this family!

Tip For Praying The Rosary Daily:

Have an accountability partner!

Having faithful friends and faith-centered relationships is a necessary aspect of a flourishing spiritual life. When attempting to create a habit or daily prayer practice, it can be helpful to invite others into that journey. If you have a friend who lives out of town, find a time to call one another and pray the Rosary together. Although home life can get hectic, praying the Rosary as a family is an incredible way to foster your family's faith. By having the commitment to share the Rosary with your family, you may find that it becomes a more urgent daily practice. Making the Rosary an integral part of your relationships will add great value to them! Our Lady wants to help you create strong, faith-filled relationships, families, and communities!
