

54 days to change the world. Day 15.

Today is the fifteenth day of this novena. We will be praying the Glorious Mysteries in a spirit of petition.

Two men from the same family were saved by the Rosary while fighting in two different wars...

During his deployment in Afghanistan, Private Glenn Hockart felt his Rosary fall from his neck, where he kept it in order to have it close by.

When he bent down to retrieve it, he was able to recognize that he had stepped onto a landmine. He remained still for 45 minutes while his colleagues diffused the mine.

*The Rosary saved his life that day!*

**What is even more miraculous is that Glenn wasn't the first one in his family to be saved by the Rosary.**

Joseph Sunny Truman, Glenn's great-grandfather narrowly escaped death when he stopped to pick up a rosary he saw on the ground. As he bent down to retrieve the rosary, a bomb blast went off right where he would've been stepping, missing him by a hair!
