

54 days to change the world. Day 2.

Today is the second day of this novena, we will be praying the Sorrowful mysteries in a spirit of petition.

As we continue to dive into this novena, let us take a moment to contemplate the incomprehensible power of the Rosary. Sister Lucia, one of the children to whom Mary appeared at Fatima tells us that there "is no problem, I tell you, no matter how difficult it is, that we cannot solve by the prayer of the Holy Rosary." The best way for us to go to Jesus is the way in which he came to us, through His Holy Mother! The Rosary is the perfect means for this channel of grace. While Mary perfectly mediates for us, God in His goodness leaves room for our participation. This is precisely why the Rosary is so powerful, it allows for our engagement. Through the repetition, contemplation, and posturing that the Rosary creates, we find that we engage our will, our bodies, our language, and our imagination. Thus, the Rosary transforms us entirely, body, mind, and soul! Before we join in today's sorrowful mysteries, take a moment to contemplate the beauty and power of the gift of the rosary. Call to mind your petition, earnestly ask God to hear your prayers, and praise Him for giving us so great an Intercessor and Mother!
