

54 days to change the world. Day 4.

Today is the fourth day of this novena, we will be praying the Joyful mysteries in a spirit of petition.

Today, we will continue to reflect upon the mysteries of the Rosary as we pray our required Joyful mystery. Through the repetition of the Hail Mary's, allow yourself to be drawn into deeper meditation of the spiritual realities being revealed through these mysteries! Continue to ask fervently for your petition!

The First Joyful Mystery – The Annunciation

Spiritual Fruit: Humility

The Angel Gabriel declares Mary as the handmaid of the Lord. She will conceive by the Holy Spirit, and bear a son who will be called the Son of the Most High. Mary accepts this honor, while also accepting, without fully understanding, the pain and sorrow that would accompany its fulfillment. This mystery teaches us that even the purest joy we experience in this life necessarily entails suffering. It is with full reliance and trust in God that we are able to accept our suffering in order to fulfill our mission and forward God's plan of salvation with humility and love.
