

54 days to change the world. Day 5.

Today is the fifth day of this novena, we will be praying the Sorrowful mysteries in a spirit of petition.

Congratulations! You are nearly one week into your 54-Day Rosary Novena! Perhaps you already have noticed a transformation in your life. You could feel reinvigorated from the beginning of this novena and have created the habit of a daily Rosary with ease. Or maybe this past week has been surprisingly difficult for you. Inconsistencies may have slipped in, life keeps getting in the way, perhaps your prayer life seems dry and isolated.

Tip For Praying the Rosary Daily

Set aside an intentional time to pray the Rosary. By prioritizing this important practice, your prayer will be less easily interrupted and forgotten. Consider what time of day is best for a peaceful moment of prayer and don't be afraid to work with your personal preference! If you love the mornings, set aside 20 minutes in the peace of the new day to be with Our Lady. If you prefer the evening, spend 20 minutes with Our Blessed Mother as you wind down from your day!
