

54 days to change the world. Day 52.

Today is the fifty-second day of this novena. We will be praying the Glorious Mysteries in a spirit of thanksgiving.

It can be overwhelming to hear Our Lady's 15 promises to those who pray her Rosary. The graces promised to those devoted to her Rosary are astounding. Throughout this novena, Our Lady has been using her Rosary as a channel of grace for you. Quietly, she has been leading you closer to her Son. This proximity to Christ will look different for each one of us. Perhaps, you feel transformed and feel His love radiating more than ever. Perhaps, you still feel distant. No matter how you feel today, continue to hand it all over to our Blessed Mother, she will tenderly care for you.

In these final days of this novena, open your hearts up completely to Our Lady. If there is a frustration you have felt, a pain that has developed, or a grace you have enjoyed, share it with her! As our mother, she wants to accompany you through all of life's variety! On difficult days, meditate again on the promises of her Rosary. Remind yourself that no matter what circumstances are developing around you, if you are devoted to the Rosary, you are promised much!
